

OFFICE OF THE CHIEF RATION CENSUS
OFFICER, HOLALKERE TOWN.

Notification dated 9th June 1944.

**Notification under Rule 11 of the Mysore Ration
Census Order.**

It is hereby notified for the information of the citizens of the Holalkere Town that the following arrangements are made for the distribution of fresh ration cards within the limits of the town.

2. Distribution of the ration cards will be made between the 20th and 25th, of June 1944, both days inclusive at the Taluk Office between 9 A.M. to 11 A.M. and 5 P.M. to 7 P.M. on each working day.

3. A new ration card will be issued only on surrender of the census acknowledgment and the identification card issued. The person in whose name, the card is issued should sign or affix his or her left thumb print in the space provided on the card and the counterfoil before delivery.

4. Holders of ration cards who for any reason are unable to appear at the office for giving the acknowledgment and taking the ration cards may send at their own risk the census acknowledgment and the old identification cards together with a letter requesting that the new card may be handed over to the bearer of the letter. In such cases the old identification card and the acknowledgment slip will be retained at the office and the new ration card together with the counter part of it which is meant for record in the depot (and on both of which the holder's signature will be necessary) will be handed over to the bearer under acknowledgment. The holder of the ration card should thereupon, sign both on the ration card and on the counterfoil and return both parts of the card. Thereafter, the counterfoil of the ration card will be retained in the depot concerned and the card returned to the bearer. It must be distinctly understood that the office will accept no responsibility whatever for loss or misplacement of ration cards sent through bearers under the above arrangements.

5. A list of ration census counterfoil numbers and the dates on which the fresh ration cards will be issued will be displayed in a prominent place at the Taluk Office. All house-holders are requested to co-operate in this arrangement and take their new ration cards in conformity with the local arrangements made.

6. Every holder of a current identification card will be entitled to draw rations up to the end of 25th June, 1944 unless the rations are otherwise adjusted.

7. As a rule, rations have been allowed for all the relatives declared by the house-holders, except where the number of members declared is found to be exaggerated. Regarding non-relatives diverse claims have been made for friends, guests, servants, cooks, drivers, pujaris, archaks, vokkalagittis, purohits, wara, biksha, etc., as permanent inmates, such claims have been suitably cut down. Holders of ration cards who for any reason desire to get their cards amended may file an application addressed to the Rationing Officer, Holalkere Town, stating their grievances but quoting three numbers (1) their identification card number, (2) the ration census number and (3) the new card number when the matter will be worked into. Whenever a claim is preferred on behalf of a person not related to the head of the family full particulars have to be furnished in Form No. III, hereunder.
